

COVID FACILITIES REOPENING PLAN

<u></u>	
Entering the Building, Lobby and Spectator Protocol	 Families may not arrive more than 10 minutes prior to class Staff will greet children outside or at the door and escort them to the appropriate waiting space for class Only 1 parent or guardian allowed per family, however, drop off and pick up is recommended Per CDC recommendations, we request spectators and guardians over the age of 65 or those with underlying conditions remain outside the building All individuals will wash or sanitize hands when entering the building Spectators who remain on site are encouraged to wear a mask. The high traffic areas of the gym, where social distancing presents a challenge are the lobby, hallways, stairwells, bathrooms and viewing areas and face coverings are strongly encouraged in these areas. Please refer to site map for more information We ask that bathroom use be limited by spectators where possible, to allow for more bathroom capacity for our athletes Viewing areas will be spaced no less than 6 feet apart, and spectators are required to adhere to 6-foot social distancing requirements Front desk area is marked to ensure social distancing Parents and guardians are encouraged to call, email or handle billing and registration issues online when possible Credit card use preferred over the handling of cash or checks
Class procedures and Protocols	 Class ratios will be decreased to allow for appropriate distancing and lesson plan set-up Class times will be staggered to ensure traffic through the lobby will be less congested Stations during class will be spaced 6 feet apart Classes will line up and rotate adhering to social distancing protocols Hand sanitizer will be used between rotations, and at the beginning and end of class Stations will be wiped down between classes Water fountain will be off limits, athletes required to bring a water bottle Athletes showing symptoms of illness will be required to leave class and return for a make-up class when they are free of symptoms or cleared by a physician Spotting will be limited, but will be utilized where necessary for instruction and athlete safety per Responsible Restart Ohio Guidelines Loose foam pits will be covered with matting, which will be cleaned daily or more frequently if used at a higher capacity
Facility Maintenance	 All equipment will be cleaned daily per CDC guidelines High use items, such as props, small mats, volleyballs, and weight equipment will be sanitized after each group, rotation or class Bathrooms, common areas, door handles, and general use areas will be cleaned multiple times throughout the day
