Sports Medicine Priority Scheduling and Injury Hotline

Exclusively For Community Partner Organizations

Your athletes deserve the very best when it comes to sports-related care. And they need it fast. As a valued community partner, our Sports Medicine Priority Scheduling and Injury Hotline gives you immediate access to an athletic trainer. Our comprehensive team of specialists delivers age-appropriate care to get your athletes back in the game as quickly and safely as possible.

Our partners receive priority care. For all of their athletes. Because when your athlete is injured, everything matters.

- Staffed 7 days a week by a certified Athletic Trainer
- Available to discuss and provide injury advice
- Schedule priority appointments when needed
- Alleviate unneeded trips to the Emergency Room
- Offer quick appointment times to meet your needs
- Provides peace of mind when dealing with kid's injuries

Hotline: (614) 403-6396 Staffed 8 a.m. to 8 p.m. every day

Schedule An Appointment with Sports Medicine Online

Nationwide Children's Hospital's new online scheduling tool allows you to conveniently schedule an appointment with Sports Medicine. By completing the online form, you will be able to choose the sports medicine physician and a date and time that works best for your schedule.

To schedule an appointment with Sports Medicine, visit [NationwideChildrens.org/SportsMedicineScheduling](https://www.nationwidechildrens.org/SportsMedicineScheduling) or scan this code with your camera phone.
