### **Arrival Time:**

Please do not arrive for your athlete's session prior to the check-in time. We will not allow athletes or spectators in until we have cleared and cleaned the gym from the previous sessions. **ATHLETES AND SPECTATORS WILL ENTER DOOR C at the far end of the building.**

### **Check in Procedure:**

We will only be allowing 1 spectator per athlete. You will be required to check in and this will be strictly monitored. There is no admission cost. Please do not move the spectator chairs and limit movement once you are seated for your child's session.

### **Awards Procedure:**

We are on a strict schedule to allow for all athletes to have the chance to compete and we have strict cleaning and distancing protocols that we are following in between sessions. We are committed to providing an awards session after each session, but please understand there will be a few logistical changes and we will likely move very quickly through awards. Live scoring will be available on MyUSAGym.org and Mymeetscoresonline.com

Immediately following your athletes age group awards, athletes will be lined up to exit the facility. Please be ready to exit with your athlete at the completion of their age group. Team awards will not be announced. All team awards will be provided to the gym clubs following the competition.

### **Miscellaneous:**

There will be no concessions at this year's events. Any drinks or water bottles must be able to be closed. Thanks for your cooperation. Each athlete will be required to provide their own chalk container, or share one container with their team.
