

The competition is tough. Scheduling an appointment shouldn't be.

Online Sports Medicine appointment scheduling is now available.

We're putting you in complete control. Because now, everything you need to schedule your own Sports Medicine appointments is at your fingertips. It's easy. It's convenient.

It's the game changer every busy family needs.

You can select your Sports Medicine physician, the location of your appointment, and the date and time that fits nicely into your schedule.

So when it's time to schedule your next Sports Medicine appointment, just visit **NationwideChildrens.org/SportsMedicineScheduling** or scan this code with the camera on your phone. Simple. Fast. Done.
